

## Class Outings

During the year we will be undertaking the following visits in relation to various curriculum areas/topics. We may also undertake an additional trip/visit if the opportunity arises.

### Autumn Term

The children will be taking a walk around the Lea valley to link to our geography topic on 'Our Local Area'. The children will be observing the differences between the Lea valley and built up areas around the school.

### Spring Term

In relation to the History topic 'Old and New Toys' the children will visit the Museum of Childhood. The children will have the opportunity to look and play with toys from the past. They will also be able to take part in a teaching session to further their learning on toys from the past. During this session the children will be able to create their very own toy.

### Summer Term

During the Summer term we will visit Walton-on-the-Naze, reinforcing in class history topic work 'Going to the Seaside'.
