

## Class Outings

During the year we will be undertaking the following visits in relation to various curriculum areas/topics. We may also undertake an additional trip/visit if the opportunity arises.

### Autumn Term:

We will be visiting Hampton Court Palace as part of our topic work on the Tudors. We are fortunate enough to have an educational session, entitled 'Dressed for Court' which will allow the children to dress in Tudor costumes, so they can learn about the various designs worn in that period.

### Spring Term:

We will be visiting Cedars Park, to participate in some pond dipping as part of our science topic 'Habitats'. The children will gain hands-on learning experiences, mini-beast safaris and pond-dipping sessions and a safe environment in which to explore the wealth of the wildlife surrounding us.

### Summer Term:

During the summer term, Year 4 will visit 'The Loft.' This will be a residential overnight stay focusing on team building and spiritual growth. The children will have various opportunities to participate and reflect on things they have done there. More details about this exciting and beneficial trip will follow.
