

Dear Parents and Carers,

My name is Mrs K Angelides, and I will be teaching your child in class 2KA. I am really excited about this year and have already had the privilege in meeting your child. I pride myself in being very approachable to the children, and do not believe in any questions being unnecessary. Please encourage your child to ask for help whenever needed, and if there is ever a moment of uncertainty please reassure them that I am always here to help. Additionally, I value you as a parent/carer and feel that we should work as a team, in order to give your child the best opportunities. If there is anything you would like to discuss at anytime, please do not hesitate to talk to me after school.

My main aims for this year are to help your child to make progress in all areas of the curriculum, as well as socially and emotionally. I am an enthusiastic teacher and strongly feel that children learn best when having fun. Furthermore, I will be carrying out booster sessions for literacy and numeracy to enhance children's progression.

We will have many exciting school visits throughout the year and there will be plenty of opportunities for the children, Mrs Tutin and I to get to know one another and have a fantastic year!

I look forward to meeting you all in September and hope you have a lovely summer holiday.

Yours Faithfully

Mrs K Angelides
