

Dear Parents,

Welcome to all Year One children and parents. I hope you had a lovely Summer and are looking forward to the exciting year ahead. Mrs Smith and I are looking forward to getting to know and teach your children.

Please read through this booklet as it gives lots of information which will make your children's transition into Year One as smooth and happy as possible.

If you have any problems concerning your child please do not hesitate to call in and see me after school. I look forward to meeting you all.

Yours faithfully,

Miss Corrigan
