

Dear Parents,

I hope you have had a very restful and enjoyable summer holiday.

Mrs Jess and myself look forward to working with your child, welcoming back all morning nursery children and getting to know the new children who will be starting this term.

There will be many new and exciting learning opportunities for your child throughout their time in Nursery. I am sure you will have noticed the wonderful outdoor area which has been created outside for the Foundation Stage. We are able to use this area in most weathers and so provide excellent opportunities for the children both with curriculum activities and child initiated activities. We appreciate how fortunate we are to have these wonderful facilities and feel sure that the year ahead will be exciting, enjoyable and successful.

Please read through the year book as it gives you lots of information relating to your child's time in Nursery. If you have any questions please do not hesitate to come and see me.

Again I look forward to working with both you and your child and expect a fun filled and stimulating year in Nursery.

Kind Regards,

Miss A Mehmet
