

Dear Parents,

Welcome back!

I hope you have had a very restful and enjoyable summer holiday with your children.

Mrs. Quinn and myself would like to welcome all the Reception children who will be starting school this term. Lots of exciting activities have been planned for the coming year and I am sure it will prove to be an enjoyable and fruitful one.

We are very fortunate to have such wonderful facilities and resources at St. Josephs which provide children with every opportunity to achieve their full potential. Children have access to the I.C.T. suite, Cyber cafe, Resources room, school garden, chalet and library. In addition we have a covered play area outside the Foundation Stage area which enables the children to access the curriculum in the outdoor area regardless of the weather. This will prove to be very beneficial to the children.

Please read through the year book as it gives you lots of information relating to your child's time in Reception. If you have any questions please do not hesitate to come and see me.

Yours faithfully

C. Reynolds
